

Which team will win? (Season 2)

Spin the blue / yellow spinner **once**:

Which team will score?

- if the Baboons score (blue), spin again for the second goal
- **If the Yetis score (yellow), spin the spinner below for the second goal**

Exactly two goals are scored in each match. Record your results for a 16 match season in a table and then tally the results:

	1 st goal	2 nd goal	Result
